Headteacher: Mr L Pajak

12 September 2016

Dear Parents/Carers

We are able to offer Level 2 Cycle Training to Year 6 pupils. The training will take place over a two week period, from Monday, 2 October 2017.

The children will be placed in groups of 3 and will work with a trained instructor from Gloucestershire County Council. The training will consist of 4 sessions of 1½ hours. The initial session will be on the playground, followed by sessions on local roads close to the school, approved for cycling proficiency. The final session will include a test on the Highway Code.

The cost of the training, which includes all instruction, books and certificates, will be covered by the school.

Please note that your child will need their own cycle, in good working order, and helmet in order to participate in this training. They will also need waterproof clothing as the training will proceed even if it is raining.

Please use the link below to indicate whether your child would like to do the Cycling. We would be grateful if you could respond by **Friday, 15 September**.

## [Year 6 Cycle Training](#)

We will inform you of the training date for your child at a later stage.

Yours sincerely

Sue Selwood  
Deputy Head Teacher
